

## Before Starting the Project Listings for the CoC Priority Listing

**The CoC Consolidated Application requires TWO submissions. Both this Project Priority Listing AND the CoC Application MUST be completed and submitted prior to the CoC Program Competition submission deadline stated in the NOFO.**

The CoC Priority Listing includes:

- Reallocation forms – must be completed if the CoC is reallocating eligible renewal projects to create new projects or if a project applicant will transition from an existing component to an eligible new component.

- Project Listings:

- New;
- Renewal;
- UFA Costs;
- CoC Planning;
- YHDP Renewal; and
- YHDP Replacement and Reallocation.
- Attachment Requirement

- HUD-2991, Certification of Consistency with the Consolidated Plan – Collaborative Applicants must attach an accurately completed, signed, and dated HUD-2991.

Things to Remember:

- New and Renewal Project Listings – all CoC project applications must be reviewed, approved and ranked, or rejected based on the local CoC competition process.

- Project applications on the following Project Listings must be approved and are not ranked per the FY 2024 - FY 2025 CoC Program Competition NOFO:

- UFA Costs Project Listing;
- CoC planning Project Listing;
- YHDP Renewal Project Listing (All Rounds); and
- YHDP Replacement and Reallocation Project Listing.

- Collaborative Applicants are responsible for ensuring all project applications accurately appear on the Project Listings and there are no project applications missing from one or more Project Listings.

- For each project application rejected by the CoC the Collaborative Applicant must select the reason for the rejection from the dropdown provided.

- If the Collaborative Applicant needs to amend a project application for any reason, the Collaborative Applicant MUST ensure the amended project is returned to the applicable Project Listing AND ranked or approved BEFORE submitting the CoC Priority Listing to HUD in e-snaps.

### Alert:

As stated in the FY 2024 - FY 2025 CoC Program Competition NOFO:

- CoCs may reallocate YHDPs project from any Round to create new YHDP projects, so long as the project eliminated or reduced has renewed during the CoC Program Competition at least once.

Reallocated YHDP funding can ONLY be used to create new YHDP projects.

- If a CoC reallocates funding from a renewal project that was previously awarded DV Bonus funding, any new project created with such funding must be 100 percent dedicated to serving individuals and families of persons experiencing trauma or a lack of safety related to fleeing or attempting to flee domestic violence, dating violence, sexual assault, or stalking who qualify under the definition of homeless at 24 CFR 578.3 or section 103(b) of the McKinney-Vento Homeless Assistance Act.

Mayor Paul K. Pernerewski Jr.  
City Hall Building  
235 Grand Street, 2nd floor  
Waterbury, CT 06702

Dear Mayor Pernerewski:

We hope your summer is going well. We are reaching out to request that your Con Plan jurisdiction sign the attached form. Doing so will certify that the CT Balance of State Continuum of Care (CoC) projects in your area being submitted to HUD for the annual CoC Competition are consistent with your jurisdiction's currently approved Consolidated Plan. As you know, the CoC is required to obtain this certification annually as part of the competition process. The attached project list contains renewal projects which provide services and housing for persons experiencing homelessness to help ensure that they are able to obtain and maintain stable housing.

Thank you in advance for your assistance with this process. We appreciate your partnership in providing essential services and housing with the aim of ending homelessness in Connecticut.

Please feel free to contact us at [ctboscoc@gmail.com](mailto:ctboscoc@gmail.com) with any questions.

Best Regards,

*Stephanie Lazarus*     *John Merz*     *Alice Minervino*     *Steve DiLella*
